Check Cashing: GKCU is happy to serve our members with the services they need for their day-to-day lives, including cashing checks. We do, however, have guidelines for those who only need us for those purposes. If you only have a savings (share) account with us and the balance is less than \$100, we are still happy to cash the check but there is a fee. (*up to \$100 - no fee; \$100-\$1000 - \$5 fee; \$1000-\$2500 - \$10 fee; over \$2500 - \$25 fee*). If you do not want to pay the fee, you can deposit the check instead or open a GKCU checking account.

CU Save Challenge: Hard at work in the classroom but also hard at work at saving too! Our student savers were challenged to save from January - May and they did just that! We had over 225 deposits totaling over \$2900 from our kids at the CU Save schools. The school with the most deposits was Trinity Christian Academy with 97 deposits and they will win a \$100 prize. Students were also entered into a drawing with every deposit for one of two \$50 prizes. The winners are Herbert Windley and Bailee Hammond! Congratulations and keep the up the saving over the summer!

Stuck with Junk. Buying a preowned (or used) car or boat can be a great decision if you know how to handle the buying process. First, buy from a reputable dealer, preferably a local one. If not, you increase the chances of getting a car with a salvaged title that has some bad history. Most financial institutions will not accept salvaged title cars or boats because no way to estimate its value, as well as the higher risk of repairs later on. [READ MORE](#)

GKCU is pleased to offer **CAR FAX** services to see a car's history before purchasing. For more information, ask a GKCU loan officer when applying.
