**Our offices will be closed Mon, Sept. 2 in observance of Labor Day Holiday.**

## Perks of Your Membership

**CU Save Club Goes Back to School:** As students around our counties go back to school to learn math, vocabulary and science, GKCU will be there to help them learn the importance of saving for their futures. CU Save Club allows GKCU to go to participating schools monthly to get deposits, share tips and, of course, prizes! For a list of participating schools and dates/times, [click here](#). To open an account at the school, fill out the [application](#) and send with a copy of ID and Social Security card for student and ID for co-signer (parent / guardian), and \$5 opening deposit.

**Get the Remote!** It's a fast-paced world and sometimes we just don't have time to run by GKCU to do a quick deposit. With Remote Deposit Capture, you can upload a check via our [Mobile Money](#) app to deposit checks into your account. Simply download the app, designate where you want to deposit the check, take an image of the front and back of check (with endorsement "For Remote Deposit at GKCU only and signature), and in a snap, you're done. Deposits received prior to 2:30pm will be deposited same day; deposits received after 2:30 or on the weekends will be processed the next business day. Daily limit is \$1500.

**Indirectly Speaking:** GKCU wants to help our members with the best rates, no matter where you are. With our online application and indirect lending options, you can apply for loans without even having to come to a branch (although we like to see you too!) Whether you're at the dealership or at home in your PJs, our E-Services team will be here to help you through the entire online lending process. Visit our website for rates and [online application](#) for car, boat, mortgage and credit card loans.

---

## In the News

**Home Sweet Home:** Home ownership is one of the American dreams we all have. Right now, rates are still very competitive and that means a great time to buy or even find equity in the house you already own. If you are in the market for a new house or a Home Equity Line of Credit,

GKCU can open that door for you. To contact our mortgage loan officer, [click here](#) or fill out the [informational form](#) on our website. We can help find your keys to happiness.

Whether buying your first house or your forever home, we can all get let decisions become emotional vs logical. [Click here](#) to avoid some common house-hunting mistakes.

**Auto-Pay You Say?** Finding the perfect car or boat is easy; finding the best way to pay for it, not as easy. GKCU offers a variety of ways for you to make your loan payments including by mail, in a branch (including Shared Branching), calling the contact center and auto-pay. With **auto-pay**, payments are automatically drafted from your GKCU checking account (& can get you an additional .25% off your rate!). You can also set up reoccurring payments from our Netbranch system, or a bill pay system from another financial institution. Finally, you can have set up a direct deposit with your employer or use a P2P app like Zelle or Venmo. For more information about any of these options, contact a GKCU loan officer.

Besides saving on your rate, auto-pay can have other advantages for you wallet: [READ MORE](#).

**Keeping you covered:** The season of unpredictable weather is upon us. Whether a hurricane, a flood or an ice storm, we've seen our share of bad weather over the past few years. GKCU reassures you that your credit union is safe and prepared in the event of a storm. Our main concern is safety of our members and staff, so if we close our offices, it is for that reason. You will still have access to your cash via our ATMs, Shared Branching locations, and debit cards. A GKCU VISA credit card might also be great to have as an option in the need for emergency purchases. Finally, our Mobile Money app (with Remote Deposit), can help you stay connected to your account(s), no matter where you find yourself.

Being prepared is more than just a having generator and some plywood. Your money should be protected too.

\*People Helping People is at the core of what we do every day. Several employees are active with local school groups, community organizations and civic clubs. Recently, GKCU's Joni Howell joined the new Kiwanis Club of Georgetown and will be serving as an officer for the club that helps kids in and outside the classrooms in the Georgetown area.

\*We're Proud to Be Your Hometown Team! From Andrews to Georgetown to Kingstree to Pawleys Island, GKCU is here to serve you with affordable, sensible financial solutions that meet your wallet with a smile! We invite you to tell your friends about us too and let the TEAM continue to grow!
